Honour a loved one's memory, celebrate a milestone, or bring your family and friends together... there are so many reasons to create a fundraiser to support ALS Quebec' mission.

Our online platform makes it easy for you to set up a fundraising page in just a few steps.

Thank you to our dedicated community!

We are in awe of the amazing community members who take the initiative to host their own fundraisers for ALS Quebec. You are creative thinkers, planners, organizers, networkers, problem-solvers and so much more – often all at the same time! Thank you to the many of you who step up and create fun and meaningful experiences with lasting impact.

Click on “Organize a fundraiser”

On this page, also click the “Organize a Fundraiser” button.

This step allows you to create a LogiZone account, which will enable you to use the same login details whenever you wish to make an online donation or register for our events.

Your fundraiser and your page

Take the time to fill in all the required information. This step allows you to personalize your fundraising page by adding a photo, a personal message, and a goal. When finished, click "Next" to continue.

The screenshot shows a form titled "Create a new event" with the following sections:

- Event name***: A text input field.
- Objective***: A text input field with a "0" and a "\$" symbol.
- Event date(s)***: Two date pickers labeled "Start" and "End", both with "yyyy-mm-dd" placeholders.
- Visibility dates***: Two date pickers labeled "Start" and "End", both with "yyyy-mm-dd" placeholders.
- Event location**: A text input field.
- Subscription options***: A dropdown menu with three options: "Fundraiser with multiple teams" (selected), "Fundraiser with multiple participants", and "Fundraiser only".
- Event type**: A dropdown menu with "None" selected.
- Description**: A rich text editor with a toolbar containing icons for undo, redo, bold, italic, underline, link, unlink, list, and text color. Below the toolbar is a large text area.

Orange arrows point from callout boxes to the "Event name*", "Objective*", "Event date(s)*", "Visibility dates*", "Subscription options*", "Add image" button, and "Description" fields.

Name your fundraiser event

Enter the total goal of your fundraiser

This amount will appear in the thermometer on your page and can be modified at any time.

Enter the date(s) of your activity and the visibility dates

The visibility date corresponds to when your page will go live. We suggest keeping it active for a few days after your activity to allow people in your network to make a donation.

Add up to 5 photos that represent your fundraiser to personalize your profile.

Share your story

Describe your activity, your goals, or the reason that motivates you to launch this fundraiser.

There are three ways to create your page

Fundraiser with multiple teams: allows multiple teams to create a fundraising page for your event.

Fundraiser with multiple participants: allows multiple participants to create a page to raise funds individually, without teams.

Fundraiser only: a single main page to receive donations (no participants or teams). This is the simplest way.

Don't hesitate to contact us if you have any questions.

Transaction and personal information

If you would like to start your fundraiser with a donation, enter the amount in this field.

Make sure that all your information and contact details are accurate.
